

FLAT ABRAM

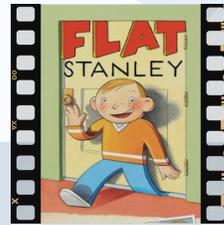

takes on
SPRING BREAK!

Who is Abram?

Abram Maury is the founder of Franklin, TN. He moved here and laid out the town square in 1799.

What is a "Flat Abram"?

Have you heard of "Flat Stanley"? Similar but this time we are showing Abram how much Middle Tennessee has changed since 1799.

How does this work?

Print your "Flat Abram" and grab a popsicle stick, plastic knife, coffee stirrer (whatever you can find) and take him out on the town! Post a picture of him during your Spring Break travels (Tennessee, The Beach, The Mountains, Grandma's House) and tag **#FlatAbram** to see your photo on our Social Pages.
